Fort Morgan, Colorado

LOCATION—West of Fort Morgan at City
Limits on South Side of Highway

GROWN NURSERY STOCK!

GUARANTEE

All stock offered is guaranteed first class, thrifty and free from insects and plant diseases. Inspection Certificate accompanies each shipment. If for any reason the purchaser is not satisfied with his purchase we will make satisfactory adjustment or return the purchase price, but in no case will we be liable for any greater amount.

We will replace any stock that fails to grow at onehalf price the following spring, providing it has been properly cared for, if notified by following August 1st.

TERMS

The prices quoted in this Price List are for nursery stock at the nursery here, packed well for delivery by truck, freight, express or parcel post. Express is the cheapest and best way to send most shipments as nursery stock now takes second class rates. If wanted by parcel post, please add 10 per cent to your order and we will prepay the postage.

Cash in full must accompany the order. In case we cannot fill your order complete, we will return the difference. If we are out of a few items in filling your order we will send similar variety of equal or better value at same price unless instructed not to do so.

We allow a discount of 5 per cent on all Spring orders received with cash before March 10th.

Order early. We will send at the proper planting time. Early planting insures better results.

Colorado customers add 2 per cent state tax.

FRUIT TREES

Our fruit trees are budded or grafted on the hardiest and best stock suited for Colorado planting.

| Prices on all varieties of fruit trees: | Each \$2.00 |
|--|--------------|
| Medium size, 3 to 4 feet Small size, 2 to 3 feet | 1.50 1.00 |

SHADE AND ORNAMENTAL TREES

CHINESE ELM—More Chinese Elm are being planted in Colorado than all other variety of forest trees combined. They have proven superior for planting in dry locations and grow rapidly even in poor soil. Our advise is not to water after August 15th. If trees are in the lawn, sprinkle surface lightly and keep grass green. Chinese Elm will survive in dry locations where other trees will fail.

Prices are for straight, stalky, well-trimmed trees.

FOREST TREE SEEDLINGS

CHINESE ELM—We believe this to be the best tree for all around planting in Colorado. It grows rapidly, withstands drought, free of insects and is very hardy. Plant six feet apart for a windbreak and if wanted for a low trimmed hedge plant one foot apart and trim back well. Prices quoted are for heavy, stalky seedlings, fresh dug and are sure to grow. Have your neighbor order with you and save money. Note these new low prices on seedlings grown from hardy, acclimated trees:

| CHINESE ELM | Price | per 100 | 500 |
|---------------------------|-------|---------|-------|
| 1 to 1½ feet | | 1.75 | 7.60 |
| 1½ to 2 feet | | 2.75 | 12.50 |
| 2 to 3 feet | | 4.50 | 20.00 |
| 3 to 4 feet | | 7.50 | 35.00 |
| 4 to 5 feet—25 for \$3.50 | | 12.50 | |

FOREST TREE SEEDLINGS (continued)

CARAGANA—This is a hardy shrub used for screen or windbreak and does well on both dry or irrigated land. Beautiful bright yellow flowers resembling sweet peas.

HACKBERRY—Fine tree for Colorado planting. Resembles American Elm in form and growth. Is drought and insect resistant. Very hardy, long lived tree for shade and shelter.

| Russian Mulberry and Silver Maple: | Ash, Catalpa, |
